Payment Information:

- Please note that there is a R350.00 admission fee payable with the first payment.
- Please note these fees are only applicable for the 2024 intakes, next years' fees will be made available in due course.
- Final fees will be confirmed in the enrolment contract based on module selections.
- Fees do not include study material, textbooks, or optional external exam certifications (optional external certificates are subject to external vendors T&C's).
- The fees stated above are based on a full academic level 1 module selection. Elective or additional modules may change the total course fee. For example, should a student need to complete additional modules in order to get the cost of these modules are not included.

Monthly Payments:

- All instalments are due on the 1st of each month. The first instalment is due on or before the 1st day of the month in which classes start.
- Duration of monthly payments is based on the qualification and modality chosen.

Deposit with Monthly Payments:

- 30% of the total course fee (including First instalment), calculated based on the total monthly fee, is to be paid on or before the 1st day of the month in which classes start.
- The remainder to be paid over the qualification duration. All instalments are due on the 1st day of each month.
- Foreign citizens: Please note for International students, a minimum deposit of 30% or an upfront payment is required before enrolment can be completed.

Upfront Payments:

- All fees paid in one instalment on or before the 1st day of the month in which classes start.

Individual Payment Options:

- For all individualised payment calculators, please contact the finance team.
