What you will learn and how to apply it practically

Course overview.

The Eduvos Managing Finances short course provides the junior executive an opportunity to get ahead and succeed.

Module 3

Managing finances

7 weeks | 26 credits

Crunch the right numbers
(Financial analysis)

Decipher financial codes
(Mathematical analysis)

Be wise with money
(Managing finances)

Be prepared for risk
(Risk management)

A good manager has a keen understanding of the impact of every action in the business on the financial aspects of the business. This short course will enable the learner to manage the finances of a unit and identify elements that may lead to financial risk in the business.

Many people are traditionally scared of looking at the financial aspects of a business but this short course takes away the guessing and gives practical tools to manage budgets, understand the basic finances of the unit and to monitor, assess and manage risk.

Course duration.

Students will complete the Managing Finances short course online in a 7 week period.

It involves a combination of online learning components, practical workplace applications, various videos, structured learning content and assignments online. The student has access to templates and tools to complete the assessments effectively.

Once you have completed all the tasks, assignments and assessments for the course, the student receives feedback on their progress. Assessments are completed every eight weeks and your submission will be assessed after the closing date. Once marked, you will get your results (either determined as competent or not yet competent).

The cost of your investment.

The price of the Short course
in Managing Finances is:

R 8 400*

Monthly: **R4 200** per month x 2

Note the cost does not include:

- Cancellation fees: should a student not wish to complete the course but request an early cancellation
- Repeat subject fees: should a student be found not yet competent on a specific module and the student applies to redo the module
- Extension fees: should a student apply for an extension of assessment which would move their assessment to the following intake

Recognition of Prior Learning.

Eduvos recognises the need for Recognition of Prior Learning (RPL) and this course can be completed (in part or whole) by RPL.

Should a person wish to complete by RPL, the student can apply to be accepted at an additional cost. If the student is not yet competent on the first submission, only one second submission is allowed at a further additional cost.

*(Excludes once-off R300 application fee)

Where this short course can take you.

Upon successful completion you are awarded the much-coveted Eduvos Managing Finances Short Course Certificate.

This is recognised by SAQA (South African Qualifications Authority). On successful completion, you will have acquired 26 credits at an NQF (National Qualifications Framework) Level 5.

On the path towards lifelong learning, this certificate articulates and allows you to:

- Enter the National Certificate: Generic Management
- You will be exempt from the module of the same name and automatically receive the 26 credits of the 162 credits needed for this qualification

Study guides and textbooks.

- Our study guides include:
- Clear learning outcomes
 - Study materials for the specific subsection
 - Self-contained guide with all module requirements
 - Examples and case studies
 - Activities completed individually or as part of a team

All study materials and textbooks are provided at no additional charge, with 24/7 online access.

Assessments.

You will complete an online portfolio of evidence for this course. A portfolio of evidence is made up of a range of activities that you will do on your own time (and in the workplace) to show that you are competent in understanding the theory and practice of the module.

Assessment activities vary and may include simple answers to questions, multiple choice, short writing sections, preparation of individual presentations, group presentations, written assignments and summative assessments.

Online support.

We support you by providing a Learning Coach who is there to help you reach your goals by successfully completing your course and giving you access to an expert when so required.

The Learning Coach is your first point of contact and can be reached via email, phone call, WhatsApp or webinar.

Through our functionality that supports the asking of questions and both pro-active and reactive support we have very high completion rates on our programmes.

Logging on

- Receive username and password
- Log onto your Eduvos Online Course
- Watch orientation videos to guide you on how to navigate the platform

Academic support

- We provide a learning coach to support and connect with students
- The learning coach monitors the onboarding of the student
- We actively support the student to engage in the course

Weekly milestones

- Each week has defined topics with supporting material
- Each area builds on the next and is designed to achieve learning
- Assessments and assignments test learning
- Every element has built-in reflections that are marked

Learning content

- Learning is structured through videos and guides
- Expert lecturers provide guidance on key topics
- Videos are approx. 5 minutes in length
- Students can watch videos as many times as required
- Guides are well-written and designed and highlight relevant learning
