☰ Qualification description

Looking to shatter glass ceilings? The Higher Certificate in Business Management prepares you for work in the business environment as it introduces you to the core disciplines of the modern workplace. It is also a good stepping-stone for those who do not meet the entry requirements for a degree but wish to gain entry to the Eduvos Bachelor of Commerce after completing this programme.

The focus of the higher certificate is on the key areas of business management, human resource management and marketing. You will also cover Mathematics for Business, Academic English, Computer and Personal Skills Development, Business Communication, Small Business Development and Bookkeeping. Within the curriculum, you will be introduced to topical business subject areas such as the elements of the marketing mix, recruitment, management and leadership, governance and sustainability in business.

Because of our unique teaching and learning approaches, you will also start developing essential skills for the world of work, such as effective problem solving, critical thinking, working in teams and communicating effectively.

On completion of the Higher Certificate in Business Management you can apply to one of our Bachelor of Commerce degrees. Students could also possibly qualify for two exemptions.
